The Schoology group "Summer Work 2017" houses all the information you will need to complete work that your teachers have assigned for the summer. **After you login to your Schoology account, click on Groups (at the top of the screen) and select Summer Work 2017. Then click on "Resources" from the menu and find the course folder that corresponds to your class.**

Summer work is strongly recommended so that you may walk into the new school year with the enhanced skills and confidence to succeed. Have a fantastic summer!

If you have any questions about summer work, please contact Robb Virgin, Assistant Principal, at robb.virgin@minnetonkaschools.org
