# An overview of this presentation

- The value of self-assessment
- Office of Admissions – Changes due to COVID-19

- Holistic review – and the importance of the junior year
- College search process
- Preparing for the senior year – and college applications

## Self assessment – an ongoing part of the junior and senior year experience

- Students need to spend time figuring out what's important to them in the post-high school planning process. College? 2-year or 4-year? Work? Apprenticeship? Military? Gap year? Please read the exercise on pages 6-7 of the Post High School Planning Guide: <https://www.minnetonkaschools.org/uploaded/Documents/MHS/Counseling/MHS-Post-High-School-Planning-Guide.pdf>
- Also, complete the **Do What You Are** assessment in Naviance, a Myers-Briggs personality inventory (in the About Me section.)

## **Self assessment – an ongoing part of the junior and senior year experience**

- For those who have an interest in the college search, there are great opportunities to learn and discover!
- Over 140 college and universities will visit Minnetonka HS this fall – see the full list in Naviance.
- Several virtual college fairs are being offered, including a national fair this Sunday (Aug 29). Register at: <https://virtualcollegefairs.org/> Additional dates include Sept 12, Oct 3, Oct 14, Oct 24, and Nov 14.
- In Minnesota, a number of college presentations will take place virtually on Oct 6-7. Registration information available (soon) at <http://mn-acac.org/VCE>

# Office of Admissions

- Colleges seek the best students they can find/attract/admit/enroll for their entering class
- Students seek the best college they can attend
- Everyone is aware of rankings, prestige, fame – nobody wants to miss out!
- Numbers are important – not just in terms of applications, but in terms of a student's academic record. And some colleges got a lot of application last year!
- It's a process, with lots of steps/stages. Patience is a value-added virtue!

# Office of Admissions – Changes from COVID-19

- Most colleges have adopted a test-optional policy in admission – the exceptions are primarily public universities in the Southeast. The updated list can be found at FairTest.org  
<http://fairtest.org/university/optional>
- It remains “to be determined” about testing policies for the Class of 2023, but the movement in admissions fully supports test-optional policies
- The optional writing section in the SAT has been eliminated. The number of colleges requiring an ACT test with writing is less than five – students don’t need to do the optional writing section of the ACT. The SAT Subject Tests have been eliminated.
- Closed campuses – some universities are offering only virtual tours. Many have added significantly to their YouTube productions. It’s important to check their “visit” website before scheduling a trip!

# Minnetonka High School – Profile from 2020 & 2021

- % attending 4-year colleges 76%
- % attending 2-year colleges 10%
- % attending MN institutions 36%
- % attending out-of-state institutions 50%
- Average number of applications 5.69

# Holistic review – what's most important?

- The high school transcript – the student's record of academic achievement – is the most important part of the application folder.
- The rigor of the courses you have taken, the breadth of study within each department, and the grades you have earned will be examined in detail. The transcript speaks loudly.
- Colleges and universities want to see the quality of your life as a student. They want to see trends, growth, challenge, and achievement.

## Testing – For those who choose to test

- Juniors are encouraged to wait until 2022 to test -- with more time for instruction and learning, and (for those who choose to do it) test preparation.
- Oct 2                      SAT
- Oct 13                    PSAT (for juniors)
- Oct 23                    ACT
- Nov 6                     SAT
- Dec 4                     SAT
- Dec 11                    ACT
- Feb 12                    ACT
- April 5                    ACT – school day testing at MHS

## Testing – For those who choose to test

- Free test preparation is available to all students, in addition to the fee-based courses and tutoring
- In Naviance, there is a free test prep resource, with Method Test Prep  
<https://app.methodtestprep.com/MinnetonkaHighSchool/signup/tkn29582324>
- On the ACT web site, check out the free test prep section. <https://www.act.org/content/act/en/products-and-services/the-act/test-preparation/free-act-test-prep.html>
- To practice for the PSAT and the SAT, check out the Khan Academy website:

# The College Search – How to begin?

- **An absolute must: conduct a self inventory or self assessment**
- What do you like to do?
- What do you hate to do?
- What subject excites you?
- What always bores you?
- How do you learn best?

## Self inventory (cont.)

- Do you enjoy being a part of a large group? Or do smaller groups suit you better?
- Do you want to stick close to home? Or do you plan to move far away?
- Do you want to live in or near a city? Or could you find happiness in a college town?
- Do you seek out diversity among your friends? Or do you hang out with people who are very similar to you?

# Applying for admission – it happens in the senior year!

- For all our students, let this be your “guide.” You apply for admission to a college because you want to go there!
- Focus as much on “going” to the college as you will focus on “getting in.”
- As a counseling staff, we plan to work with students in the college search process to help them find good matches!!  
“What will make this place be a great fit for me?”
- “College is a match to be made, not a prize to be won.”

-- Frank Sachs, retired from The Blake School, Minneapolis

## Applying for admission (continued)

- As you get ready to become a senior – and an applicant, your top priority is finding the right fit! NOTE: You apply for admission to a college because you want to go there!
- Most MHS students apply between August and December
- Separate deadline for need-based financial aid -- filing the FAFSA can be done after October 1. [www.fafsa.ed.gov](http://www.fafsa.ed.gov)
- Determine which application plan/option works best for you (Early Decision, Early Action, Regular Decision or Rolling)
- The selection process can last for months, especially when cost of attendance is a significant factor.

# Applying for admission – next steps

- Attend the in-person and virtual college admission visits this fall – see Naviance for the full list (in the Colleges tab)
- Arrange a meeting with your school counselor or college counselor
