FROM THE PRINCIPAL'S DESK (continued)

Deephaven's Bike to School Day was a huge success with great weather and well over 100 participants. Deephaven encourages biking to school as long as your child has a safe route.

Lighthouse Publishing Volunteer Needed – Here is your chance to support students in their writing development by publishing stories for Lighthouse Publishing. Contact Stephanie Pearson at 952-401-6900 if you have an interest in the position and would like to learn more about it.

The Grade 5 Choir Concert will be on Thursday, May 23, at 7:00 p.m. in the front gym at Deephaven

Super Hero Kids (formerly Safe Spaces) will be presenting to Deephaven students from May 21 through May 28. Your child's teacher will have more specific information on the date and time for their class. This is an effort to provide the tools to our children to protect themselves through personal safety education. A parent letter will be sent electronically later today with more information.
