If an unauthorized person attempts to pick up your child, you will be contacted. If you cannot be reached, your child will be held until you or your emergency contact person arrives. Please notify billing and enrollment in writing or add them online if you want to authorize additional adults to pick up your child. Copies of legal documents regarding child custody must be provided to the program office before any staff person can actively prevent non-custodial parents from picking up their child.

Late Pick-Up Policy Explorers closes at 6:00 p.m. All children must be picked up no later than 6:00 p.m. according to the time on the iPad. If an emergency delays you and you are going to be late picking up your child, make plans for someone you have designated as an Authorized Pick-Up person to pick up your child on time, and call the program staff immediately.

If a child does not arrive at Explorers as intended, the Site Supervisor will:

1. Contact the school to see if the child was in attendance.
2. Contact the parents.
3. If the parents cannot be reached, persons listed as Authorized Pick Ups or Emergency Contacts will be called.

If your child is ill, when you call the school to report the illness or pick up your child from school, also call Explorers before his/her normal arrival time to avoid the \$10 child search fee.

Health and Safety Information

Face Coverings (based on current MDH guidelines)

Children and staff in our school aged care program (K- 5) are required to wear masks during their time at Explorers. This is subject to change and we will notify families should changes occur.

Children in our Junior Explorers program are not required to wear face coverings, but are encouraged to wear a face covering if they can do so reliably in compliance with CDC guidance (i.e., without frequently touching or removing the mask).

Types of face coverings may include a paper or disposable mask, a cloth mask, a neck gaiter, a scarf, a bandanna or a religious face covering. The face covering must cover the nose and mouth completely. The covering should not be overly tight or restrictive and should feel comfortable to wear. Alternatives to masks such as clear face shields may be considered for those with health conditions or situations where wearing a mask is problematic with approval from the District Health Coordinator.

Information on masking:

- You will be required to provide face masks for your child(ren)
- Backup masks will be needed as replacements should the mask they are wearing become damaged, soiled and/or wet.
 - Your child should have 1-2 backup masks available at Explorers each day
 - Masks should be washed daily after each use
- Your child should be wearing their mask when they arrive at Explorers.
- Your child will be responsible for all their face mask management (including taking it on and off). Staff cannot physically assist children with their masks but will provide verbal guidance and modeling.
- Masks are an aid and not a replacement for proper social/physical distancing. Please help your child(ren) understand the importance of keeping space between friends.
- Face coverings can be removed temporarily for the following reasons:
 - While eating or drinking
 - When outside if social distancing is maintained

Medication A written order signed by the licensed medication prescriber and the parent/guardian is required for all prescription medications. Such orders must be renewed annually or whenever medication dosage or administration changes. A signed district [Medication Permission Form](#) along with the medication in the original prescription container must be turned in to staff.

Prescription medication must come to school in the original container, marked with the student's name, and must be administered in a manner consistent with the instructions on the label.

All medication administered, will be documented. This includes the name and dose of medication, time of administration, and the name of the individual who administered the medication. Medications are stored in our medicine lock box.

Accidents and Injuries If a child has an accident the staff person working with the child will notify the parent with an accident report. If a serious accident occurs which might need medical attention, the staff will contact you immediately so you can take your child to the doctor or dentist.

In an emergency where immediate medical attention is needed, the staff will call 911 and then immediately contact you. After 911 has been called, it is up to the paramedics to decide what to do. If they decide your child needs emergency treatment, they will take the child to the nearest emergency medical facility, you will be responsible for medical charges. We will stay on the phone with you to help make the decision whether to transport the child or not.

Food Allergies If your child has a food allergy, parents must bring your child's Allergy Action Plan to the site on their first day of care. A [Medical Release Form](#) will need to be filled out for any necessary medication administered.

Student Conduct

Explorers recognizes that individual responsibility and mutual respect are essential components of a successful childcare experience. All students are entitled to learn and grow in a setting that promotes respect of self, others, and property. Proper student conduct is necessary to ensure the safety and respect of all students and to create an atmosphere where students can relax, explore individual interests, develop friendships, and grow in confidence.

The Minnetonka Schools Student Discipline and Code of Conduct policy is in effect and pertains to all children in Explorers (see <https://www.minnetonkaschools.org/uploaded/Documents/Policy/506.pdf> for full policy). In the event a child has received an out of school suspension, they are not able to attend Explorers until the suspension period is over.

Unacceptable behavior is subject to disciplinary action. The decision of the type of consequence in a particular case is at the discretion of the staff.

Consequences may include, but are not limited to, one or more of the following:

- Student conference with Explorers staff.
- Parent contact or conference.
- Loss of student privileges, including participation in field trips or special events.
- Referral to support services or community resources.

- Suspension or dismissal from Explorers.
- Other disciplinary action as deemed appropriate.

The following behaviors are considered bottom line behaviors and may result in a child being sent home immediately from Explorers. Depending on the severity and frequency of the behavior additional consequences including, but not limited to, suspension/termination from the program may occur:

- Abusive or inappropriate language/profanity
- Defiance/disrespect/insubordination/non-compliance
- Leaving building/school grounds
- Harassment/bullying
- Fighting/hitting/kicking/choking
- Weapons
- Property damage/vandalism
- Theft

Termination of Care by the Program If Explorers leadership determines that our program is not meeting the needs of a child, we reserve the right to terminate the care arrangement on a timeline that is in the child's best interest. Other reasons that may result in the termination of a specific care arrangement are as follows:

- Non-payment for childcare services and/or lack of adherence to the fee payment policies.
- Lack of cooperation from parent(s) with the program efforts to resolve differences and/or meet the child's needs through parent/staff meetings.
- Abusive behaviors and/or verbal threat by parent(s) toward program staff or other parent(s).
- Repeated late pick up.
- Failure to comply with Explorers terms and conditions.
- When a child's developmental, medical, or behavioral needs require personnel, training, or equipment that Explorers is unable to provide, program staff and parents will meet to discuss the best course of action, appropriate resources, and options for care.

Communication At Explorers, we value open communication with parents and encourage you to be involved. A survey will be conducted annually to gather feedback on the program. Results received will help to make improvements to our program.

If you have questions or wish to talk to someone about your child, do not hesitate to call the Site Supervisor. Special conferences can be scheduled at any time staff or parents feel there is a need.

The staff will make every attempt to notify parents via phone or by written note whenever a situation arises that we feel you should be aware of. We request that parents keep the staff informed of your needs, concerns and feelings.

If an injury occurs at Explorers, parents will be notified. Minor scrapes and bruises handled at Explorers and which need no further attention will be reported to you on a form called Minor Mishaps and given to you when you pick up your child(ren).

We welcome suggestions and comments to improve the quality of care for your child. Please contact your Site Supervisor if you have a comment or concern. If additional communication is necessary, please contact Program Manager, at 952-401-6824. If the problem is still not resolved, contact Youth & Adult Programs Coordinator, at 952-401-6818.
